**10:15 – 11:30 am Shelley Row- Intentional Decision Making - Go with Your Gut: Effective Decision-Making in an Over-Thinking World**

Is valuable time wasted searching for just one more piece of information? Do you ever hear, "This is taking w-a-y too long?" When someone flies off the handle is time squandered doing damage control? Do you notice that sometimes data alone is not enough? These are challenges that face every decision-maker.

Shelley proves why the most effective decision-making comes from the skilled balance of cognition and intuition. That powerful combination is infotuition® and you will learn how to:

- stop over-thinking by leveraging subtle clues from your experience
- recognize early warning signs and understand the source of knee-jerk decisions
- apply techniques to turn reaction into rational thought
