Christina Camacho, Founder and CEO

Christina Camacho is the Founder and CEO of Current Payment Solutions which provides solutions for traditional, high-risk and off-shore payment processing. As a tenured banker with ten years of Treasury Management experience, Christina consulted with new businesses as well as Fortune 500 companies. She has a strong background in Treasury Management and Merchant Services where she built a Community Bank Merchant Services program, advised her clients throughout their growth, and partnered with advisors to provide best-in-class support.

Christina joined Wnet in 2016. She participated in the 2016 Wnet Mentor Project, and was a panelist at the 2016 Career & Leadership Summit session where she spoke about the benefits of the Project and the wonderful relationship she has built with her Mentor, Linda Rossetti, Founder of Bluestone Payments LLC.

“My experience with my mentor has far surpassed my expectations. I have developed a life-long friendship with a woman who not only inspires me but supports me in a way different than your average person. Gaining insight and knowledge from someone who has not only walked a mile in my shoes but paved the way for myself and other women in payments has been an honor. I will always be grateful to my mentor and the Wnet for providing me with tremendous support during my first year of entrepreneurship.”

Christina also recently founded a non-profit with a mission to provide technology to underfunded schools called The Tech Drive.
